Profile

Incoming Business Management (Finance) BA (Hons) student at Middlesex University Mauritius with hands-on experience in administrative operations and corporate support within a regulated electronic money and fintech environment. Passionate about finance, compliance, regulatory frameworks, digital financial services, and risk management.

I am committed to ensuring operational excellence and strong corporate governance. Ambitious and detail-oriented, I aim to leverage both academic learning and practical experience to contribute meaningfully to high-performing teams in finance, fintech, and corporate environments.

Professional Experience

KYC & Compliance Operations Intern, Arie Finance

Ébène, Mauritius *Dec, 2025 - Present*

Conducted KYC and CDD reviews for corporate and retail clients using KYCP within a regulated fintech environment. Performed client screening, including sanctions and PEP checks, ensuring compliance with AML and regulatory requirements. Managed ongoing monitoring of client documentation through the KYC portal, maintaining data accuracy and regulatory completeness.

Identified and resolved KYC discrepancies to enhance onboarding efficiency and mitigate compliance risk. Supported account opening processes by validating client documentation against internal policies and regulatory standards.

Education

St Joseph's College

Cambridge A Levels *Feb, 2018 – Oct, 2025*

Secretary, Student Council (2025)

Student Delegate – Mauritius Revenue Authority Educational Event

Completed Cambridge International A Levels (Higher School Certificate) with a focus on Business, Economics and French. Developed strong foundations in financial principles, market analysis, and economic theory, while actively engaging in student leadership and financial literacy initiatives.
